

TECHNOLOGY WORKSHOPS

We will arrange workshops for groups of three or more parents and/or educators.

Available workshops:

- Kurzweil 3000
- Dragon NaturallySpeaking
- Inspiration/Smart Ideas and WordQ
- MS Word *
- MS Excel *
- MS Powerpoint *

* Note: These are non-certificate programs

If you are interested in having a workshop arranged simply complete and submit the form available by clicking the [“Workshop Request”](#) button below.

Individuals interested in attending any of our workshops may also complete and submit the form. We will contact you when a workshop is scheduled.
